A Stargate is a fictional device that allows practical, rapid travel between two distant locations. The first Stargate appears in the 1994 film Stargate, and subsequently carries over to Stargate SG-1 and its spin-offs. In these productions the Stargate functions as a plot generator, allowing the main characters to visit alien planets without the need for spaceships or any other fictional ...

Entering Heaven alive (called by various religions "ascension", "assumption", or "translation") is a belief held in various religions. Since death is the normal end to an individual's life on Earth and the beginning of afterlife, entering Heaven without dying first is considered exceptional and usually a sign of a deity's special recognition of the individual's piety
