The Organization of American States (OAS) is the world's oldest regional organization, dating back to the First International Conference of American States, held in Washington, D.C., from October 1889 to April 1890. At that meeting the establishment of the International Union of American Republics was approved. The Charter of the OAS was signed in Bogotá in 1948 and entered into force in ...

OAS - Organization of American States: Democracy for peace

Industrial relations or employment relations is the multidisciplinary academic field that studies the employment relationship; that is, the complex interrelations between employers and employees, labor/trade unions, employer organizations and the state.. The newer name, "employment relations" is increasingly taking precedence because "industrial relations" is often seen to have relatively ...

Nonstandard employment relations—such as part-time work, temporary help agency and contract company employment, short-term and contingent work, and independent contracting—have become increasingly prominent ways of organizing work in recent years.

Nonstandard Employment Relations: Part-time, Temporary and

Comparative literature is an academic field dealing with the study of literature and cultural expression across linguistic, national, and disciplinary boundaries. Comparative literature "performs a role similar to that of the study of international relations, but works with languages and artistic traditions, so as to understand cultures 'from the inside'".
