CONGRESS AS PUBLIC ENEMY: PUBLIC ATTITUDES TOWARD AMERICAN

Congress is an enemy of the public partially because it is so public. Calls for reforms such as term limitations reflect the public's desire to attack these disliked features.

Congress as Public Enemy: Public Attitudes Toward American

Congress as Public Enemy: Public Attitudes Toward American Political Institutions. This timely book describes and explains the American people's alleged hatred of their own branch of government, the U.S. Congress. Intensive focus-group sessions held across the country and a specially designed national survey indicate that much of the negativity is generated by popular perceptions of the processes of governing visible in Congress.
