Detective fiction is a subgenre of crime fiction and mystery fiction in which an investigator or a detective—either professional, amateur or retired—investigates a crime, often murder. The detective genre began around the same time as speculative fiction and other genre fiction in the mid-nineteenth century and has remained extremely popular, particularly in novels.

Homosexuality in China has been documented in China since ancient times. According to one study, homosexuality was regarded as a normal facet of life in China, prior to the Western impact of 1840 onwards. However, this has been disputed. Several early Chinese emperors are speculated to have had homosexual relationships accompanied by heterosexual ones. ...
