The report card of a child cannot become the visiting card of his or her parents. Every child is blessed with unique talents and deserves the right support to pursue them.

Government of India, Ministry of Human Resource Development

International Journal of Human Resource Studies (IJHRS) is an internationally refereed journal published quarterly in February, May, August and November, published by Macrothink Institute, United States in collaboration with Human Resource Management Academic Research Society (HRMARS). The journal aims to promote the theory and practice of HRM, to provide an international forum for discussion ...

International Journal of Human Resource Studies

A resource is a source or supply from which a benefit is produced. Resources can broadly be classified upon their availability – they are classified into renewable and non-renewable resources. They can also be classified as actual and potential on the basis of level of development and use, on the basis of origin they can be classified as biotic and abiotic, and on the basis of their ...

Ancient peoples did not have the same modern-day conception of universal human rights. The true forerunner of human-rights discourse was the concept of natural rights which appeared as part of the medieval natural law tradition that became prominent during the European Enlightenment. From this foundation, the modern human rights arguments emerged over the latter half of the 20th century.
