performance measurement for health pdf

Information Regarding Direct Data Submission of CY 2018 eCQMs Information on the Direct Data Submission Platform available to all accredited hospitals for submission of CY 2018 data and future submission is now available.

Performance Measurement | Joint Commission

Performance measurement is the process of collecting, analyzing and/or reporting information regarding the performance of an individual, group, organization, system or component. Performance measurement is not a new concept, some of the earliest records of human activity relate to the counting or recording of activities. Definitions of performance measurement tend to be predicated upon an ...

Performance measurement - Wikipedia
