Smart Meters are actually Stupid Meters. Why? Because they overcharge you, broadcast your personal info and detailed energy use habits, damage your DNA, harm wildlife, catch fire, and disable your shock prevention devices.They also emit wireless microwave radiation that can cause cancer and kill you.Need more reasons than that? Go to our Why Stop Smart Meters page.

A "migrant worker" is a person who either migrates within their home country or outside it to pursue work such as seasonal work. Migrant workers usually do not have an intention to stay permanently in the country or region in which they work. Migrant workers who work outside their home country are also called foreign workers. They may also be called expatriates or guest workers, especially when ...

Yeah, stop getting him coffee. And ask him to make sure he never calls you "babe" in the office. Those are both relationship things, and your relationship needs to be kept out of work. That's true even if it doesn't seem to bother your coworkers, because (a) it's the professional thing to do, (b) you're in a position of authority now, and it's extra important that you show that ...
