

### **the marriage arrangement marriage pdf**

Arranged marriage is a type of marital union where the bride and groom are selected by individuals other than the couple themselves, particularly by family members, such as the parents. Depending on culture, a professional matchmaker may be used.. Arranged marriages have historically been prominent in many cultures. The practice remains common in many regions, notably South Asia, though in many ...

Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between spouses that establishes rights and obligations between those spouses, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family through marriage). The definition of marriage varies around the world not only between cultures and between religions ...
